

EMPLOYMENT PRACTICES (MANAGEMENT) LIABILITY

Do you employ administrative and/or professional staff? Does your business engage independent contractors, volunteers, or students? This insurance is designed for business owners to protect against allegations of employment practice violation, including wrongful termination, discrimination, workplace harassment, and others.

You make decisions every day that impact your employees, volunteers, students, and contractors, including hiring, compensation, promotions, accommodating disabilities, terminations, and more. Each of these could lead to a claim for a wrongful employment practice even if handled correctly.

Even an organization with good human resources policies and procedures can be sued, and the cost of defending a claim can be enormous. It is not uncommon for legal fees associated with winning an employment lawsuit to exceed \$50,000.
